Sir:

RECEIVED

FEB 19 2003

Technology Center 2600

This is in response to the Office Action mailed November 6, 2002, and having a period for response set to expire on February 6, 2003.

The following amendments and remarks are respectfully submitted. Reconsideration of the claims is respectfully requested.

IN THE CLAIMS:

Please CANCEL claims 18 and 19.

Please AMEND the claims in accordance with the following:

1. (ONCE AMENDED) A path setting device to secure bandwidth for multiple paths to provide a service from a service provider to a subscriber, comprising:

means for determining whether a received message is a request message for a first path, the request message including bandwidth information for a plurality of paths set for the service required by the subscriber; and

means for securing a bandwidth based on the bandwidth information set in the request message for the first path between the service provider and the subscriber in response to receiving the request message for the first path.
